

# Vivek Kumar

Technical Content Writer / Developer

With 3 years of experience in technical content writing, my primary career goal is to continue creating high-quality, engaging content that bridges the gap between complex technical concepts and a diverse audience of learners, professionals, and enthusiasts. I aim to further enhance my expertise in the field of technical writing.

## EDUCATION

08.2020 - 08.2023

**Suresh Gyan Vihar University (SGVU), Jaipur**

Bachelor of Computer Application (Google Apps), CGPA: 8.36

03.2018 - 03.2020

**Rameshwar Mahavidyalaya (BSEB, Patna)**

12th, Percentage: 84%

03.2017 - 03.2018

**Vidya Vihar High School (BSEB, Patna)**

10th, Percentage: 66%

## EXPERIENCE

**10.2023 - present TpointTech**

Technical Content Developer

Developed detailed technical content on Python, AI, Machine Learning, and computer fundamentals, along with working on Linux tutorial topics. This involves writing comprehensive tutorials, SEO articles, user manuals and documentation that cater to both beginners and advanced learners. Recently, I promoted to a reviewer role, where additional responsibilities include evaluating and refining content produced by other writers.

**10.2022 - 08.2023**

**Aryson Technologies**

Technical Content Writer

I have worked here as a technical content writer in which I have written SEO content on email migration and data recovery. In addition, created user manuals and have done documentation. Here, I have also learnt SEO basic knowledge for 3 months and implemented hands on experience.

08.2022 - 10.2022

**Outright Systems Pvt. Ltd.**

PHP Developer Intern

I have completed 3 months of internship here in PHP development where I developed a Login System using CRUD operation.
